Update to Planet Fitness Tuggerah Members and Community.

Once again I would like to thank you for your patience in waiting for our New Planet Fitness Tuggerah to roll out.

Since my last message, last month, we have addressed a number of Technical, and Services requirements , that were attached to our building approvals, before Construction could begin, which is normal .

We have now officially commenced Construction, and in coming weeks our team of builders and suppliers will ramp up works, to meet new deadlines, along the way.

I hope to announce our Open Date, in the coming week or two. Please allow our Trades people to have a little more time to calculate the times they can complete their work, so we can accurately give you that Opening day info.

I do apologise for any inconvenience, this may have caused you, but I can assure you, we won't let you down, when it comes to the Incredible Planet Fitness you will be part of, as a member.

I must thank our Manager, Jo, and her Team, for holding the fort at Planet Fitness Tuggerah, and answering all your questions etc, when you have had time to pop in for a chat.
